Dear Newly Matched Resident/Fellow/Family/Partner,

Hi and congratulations on matching at Atrium Health Wake Forest Baptist! This is such a huge accomplishment! While I know that this moment may be filled with a variety of emotions, ranging from joy, excitement, disappointment, relief, fear, surprise, etc., I want you to know that whatever you feel is normal, and that you are not alone in however you are feeling. My husband matched at Wake Forest in March 2023, and we, too, had so many feelings and so much curiosity. What would it be like?! Where are we going to live?! Well, that is where I come in! As both a Realtor with Adams Carolinas Realty and a member of the RSA (Resident Spouse Association), I am confident I can provide you with the support and guidance you seek during this transformative time in your life!

My love of Winston-Salem and my personal experiences as the spouse of a physician have lead me to specialize in helping physicians and their loved ones during their home search. I understand that you may have a unique timeline and will work with you to find your perfect home in the timeframe you need. I can also connect you with highly knowledgeable and reputable lenders who offer the physician loan and conventional loans so that you can learn which option would serve you and your family best. Additionally, I understand that you may be new to the area and will be happy to show you around and provide you with recommendations regarding everything from custom building to restaurants! Winston is a truly special place, and Adams Carolinas Realty and I are so excited to welcome you to it!

Please do not hesitate to reach out to me with questions or just to say hey! My email and phone number are above. I am here for you!

Congratulations again and welcome to Winston-Salem!

Warmly,

VICTORIA DOHERTY
